Re: Elizabeth Fisher's Petition for an amendment to SEC. 571.209 Standard
No. 209, Seat Belt Assemblies.

Dear Administrator:

I am writing in support of Elizabeth Fisher's petition to amend Federal Regulation
49CFR571.209.

The National Highway Traffic Safety Administration and President Clinton's Buckle Up
America campaign are asking America to buckle up. In order for all Americans to
buckle up, vehicle manufacturers must be required to manufacture seat belt assemblies
that fit all people, not just those who weigh less than 215 lbs. Vehicles come in all
shapes and sizes, just like people, and if a person fits in a vehicle, they ought to be
able to buckle their seat belt.

Sincerely,

Kyle Staron
